

## COIN NOTE ACCEPTOR (CNA)

The Coin Note Acceptor (CNA) is an economical, simple payment collection system that caters to a small car park area or motorcycle parking area only. It is usually located at the entry or exit area and the CNA payment mode can accept coins and notes. It is usually programmed to charge on a fixed rate per entry basis for Cars or Motorcycles at entry or exit point. At the end of day closing, the system can generate a daily sales transaction report.
